Re: Docket # 98N-1038

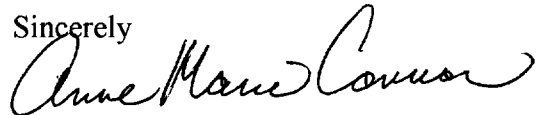

To Whom It May Concern:

As a **CONCERNED CONSUMER**, I am writing with reference to the above captioned docket number.

In any pending legislation I feel that it is important to require that there be **CONSPICUOUS, PROMINENT AND PERMANENT LABELING OF IRRADIATED FOODS!!!!!!! IT IS UNACCEPTABLE TO EXPECT THE PEOPLE OF THIS NATION TO SETTLE FOR ANYTHING LESS!!!!!!!**

Thank you for your attention to this matter.

Sincerely
